# The Hoosier Shorthorn

SEPTEMBER 1968
DEDICATED TO THE PROMOTION
OF SHORTHORN CATTLE
SALE NOVEMBER 9, GREENFIELD
INDIANA SHORTHORN ASSOCIATION

Tipton, Indiana

# **OX VALLEY**

Where Champions are Produced

Louada Rothes Scout by MSU Wonder 5th

with

Louada Enterprize and Louada Fingerprint

Acceptance of the offspring of these great sires, in both the show and sale ring, through 1968 was very gratifying and proof of their ability to produce the best. We thank all who contributed to our success and invite those interested to visit the farm where breeding stock of both sexes is for sale at all times.

See you in '69

MELBOURNE PRESTWICK

#### In Service

After long and careful search we purchased Melbourne Prestwick in the 1966 Melbourne Farms sale at \$1550. His first calves are here, our judgment justified and every expectation filled. On their way to maturity, they are thick, deep, straight lined with heavy bone and quarters, and wonderful colors.

Our consignment of three excellent young cows safely settled to Melbourne Prestwick, an open heifer and two junior heifer calves sired by Prestwick were well received in the Irvin Schilling Anniversary sale September 6th, 1968. We thank their new owners and wish them success.

Breeding stock and Club calves will continue to be available, for sale privately at the farm.

# SCHERER and McGUIRE STOCK FARM

Fernwood Guardsman 3rd
Junior sire

with Acadia Napoleon 124th

Due to circumstances we are forced to reduce our herd and are offering for sale at the farm 25 cows with calves at foot or well along in calf. We will retain a few cows to build up a herd when conditions permit. However, the buyer may select his choice and they will be sold as a group or in lots to suit the purchaser.

Also we will offer for sale Arcadia Napoleon 124th. He is a son of Acadia Napoleon 20th and out of Rosewood Rachael an undefeated show cow in 1956. He is a show bull in his own right and has sired many Champions.

See us when in need of a tried sire for use in commercial or registered herds. Club calves available.

Herd classified AAA.

# WORLD FOUNTAINHEAD FOR GREAT SHORTHORNS

At Louada ... the world fountainhead for great Shorthorns ... you'll find that stock bull of the future. Shorthorn breeders from around the world come to Louada for BIG bulls that can do a BIG job in any environment.

With each Louada sire goes the heritage of generations of the world's most constructive Shorthorn breeding. And, every Louada sire faces a bold future in which the name Louada means more and more in a pedigree with each passing year.

It's worth traveling great distances for a Louada bull. A Louada bull can take you far.

#### HONOR ROLL

#### ACHIEVEMENT AWARDS

For a number of years it has been the policy of The Indiana Shorthorn Association to present two cash awards in the amount of \$150.00 and \$100.00. These award certificates go to the boy or girl, interested in Shorthorns, who in the opinion of the judges has entered the two most outstanding overall achievement records in 4-H Club work. These certificates are equivalent to cash when applied on the purchase of any breeding animal sold in the Indiana State Shorthorn sale of the year. Perhaps this offer has not been properly publicized. At least the response has not been what it should be. We feel this offer is very worthwhile to our 4-H boys and girls and urge you to prepare your record books and present them to any officer of the Association on the opening day of the Indiana State Fair each vear.

1968 Winners

Alice Ferris

Alice, winner of the top award this year, has also been a most consistent winner with Shorthorns throughout her career in 4-H Club work. She had the Grand Champion steer, over all breeds at the Shelby Co. 4-H show this year and he was a class winner at the recent State

Fair. Daughter of Mr. & Mrs. Harry Ferris, Morristown, the steer was produced on their own farm.

Paul Richardson

Paul is the son of Mr. and Mrs. Max Richardson, Rushville, an enthusiastic family of Shorthorn breeders that has always done well at the shows. Paul has been in Club work since ten and presented a fine record in his other 4-H projects. We heartily congratulate both Alice and Paul for their fine achievement in winning these awards.

**County 4-H Champions** 

The Reserve Champion steer in Blackford County was shown by Janene Smith, daughter of Mr. & Mrs. Loran Smith, Hartford City R. 2. The steer was purchased from Jerry Clodfelter's Glatwyn Farms, Greencastle, The Champion 4-H barrow was also shown by Janene.

Eldon Wall & Family have placed a dozen Shorthorn steers in the hands of 4-H boys and girls to date.

On good authority we learn you have made your State Association No. 1 in the U.S.A. Your support and membership will make it better.

We apologize for errors in the issue of last March.

A. J. Myer & Sons have purchased 1/3 interest in Glamis Benefactor.

B. J. Scherer & Sons are offering Acadia Napoleon 124th, for sale privately.

Margaret Merson

An early show and first to arrive was Margaret Merson and her Grand Champion steer "The Count". He came from the Robert Berkes herd, Angola, another producer of good Shorthorns. Margaret is just one of the daughters of Glen Mason and wife of Thorntown, Boone Co., a family that work diligently with their Shorthorns and are getting results. Along with Robert, our congratulations.

Jerry C. Harlow

At the Tipton County 4-H show, Reserve Grand Champion was shown by Jerry C. Harlow. Coming from the herd of B. J. Scherer & Sons, Fowler, the steer inherited the name "Bern". At the Indiana State Fair, Jerry was made Champion showman in the Shorthorn division and Reserve in the overall competition and stood well up in the classes at a number of shows. He is the son of Mr. and Mrs. George Harlow, R. R. 3.

**Janet Coats** 

Miss Janet Coats won the Association trophy in Lake County with her Reserve Grand Champion. Her address is Shelby and we regret the lack of further details.

Attend Your

Annual Meeting

Saturday

Jan. 11, 1969

Judy Kindia

Newton County came up with the Reserve Grand Champion steer, shown by Miss Judy Kindig and winner of her trophy. She is the daughter of Mr. & Mrs. Lester Kindig, Brook, a Sophomore at South Newton High School and has completed five years feeding beef calves and has won Blue ribbons in the foods and clothing projects.

Greg Burger

At the Dubois County 4-H Fair, it was Greg Burger winning the trophy. Greg in the son of Mr. & Mrs. Alfred Burger, R. 1, Jasper. His steer was purchased from the Robert Harper family, Chandler, Indiana. Robert and his son Richard have done well with Shorthorns and we are sure their guidance will help Greg.

Dan Nagel

A son of Mr. & Mrs. Conrad Nagel, Berne, Dan is a first in Adams County to win a triphy. His Reserve Chempion steer came from Dave Garriotts Ox Valley farm, Scottsburg where many Champions have been produced. We wish Dan further success in the future.

Jim Jordan

This is the second time around for Jim in the Jasper County 4-H show, having won in 1966, each time with the Reserve Champion. We know Jim would like to go one step farther and we are for him. He is a son of Mr. & Mrs. Carl Jordan, Rensselaer, his steer was produced in their own herd with many other Champions through the past season.

Visit your neighbor.

Send in your news notes.

Cherri Lynn Owens

In Decatur County Cherri won the trophy with her Reserve Grand Champion steer, after he was made the Champion Shorthorn. She lives on Route 5 and we have no further details.

**Ward Hanson** 

Fayette County is represented by Ward Hanson with his Grand Champion steer over all breeds. The steer was sired by Principal Landlord, weighed 925 pounds and sold to State-Line Truck Stop, Richmond. Shorthorns have dominated the Fayette Co. show the past five years, Ward showing the Champion three time and his sister Malinde once. They are

children of Mr. and Mrs. B. Hollis Hanson, Connersville, R. 3.

\* \* \* \* \*

The Association and all Shorthorn folks, I am sure, Congratulates these fine young 4'-Hers for their achievement in winning their trophies and awards. Including those from whom we have received little or no information and who may not have received their trophies. Anyone who can furnish us with details on these, we will be glad to have this for the March, 1969 number.

#### WHAT ABOUT 1968?

It started out unlike any other year. However the old year had closed out bad which had caused a lot of corn and beans to be yet in the fields. On the original date of our Annual meeting, which is pre set for the second Saturday in January each year, it was beset with a miserable snow storm and with fast action the meeting was postponed a week. On the new date the weather was ideal and many were in the fields, which was very excusable, and attendance was down. At this time of the year the weather is always uncertain but the right time to start our new year. It is the one meeting where our members can and should be heard. and we urge each and all to make this a yearly must. We all have our shortcomings and it has been said that an apology is futile, in so much as the act that conceived it should never have been committed. So, for my poor response in visiting your farms the past year will just say I am very sorry and try to do better come 1969.

After the Invitational sale at Marion, April 13th., which was quite a success came the joint State picnic held at the Paul Baker farm, Sunday June 16th. and only lack of attendance kept it from being a complete success. The weather was perfect, the setting ideal and the hosts remarkable. Preparation had been carefully planned, the pitch-in dinner was the friendly kind and the program was interesting for the most part. A sample of the kind of Shorthorns being produced on Daybreak Farm were penned in convenient lots with plenty of shade for their comfort. Hosting this annual event is quite a chore but preparation should not be taken too seriously. We are the come as your kind and the getting together off-sets anything that might be lacking.

July 14th, the regular quarterly meeting of your board was held at the home of Mr. & Mrs. Fluard C. Myers, Plainville, parents of Louis, a member of the board. After ten years as your Secretary this was the first meeting with all members of the board present and the time was most opportune. By some chance this was Louie's birthday and the wives, Junior and Senior had gone all out. The day was hot and when all had arrived cold drinks were served. At the conclusion of business we were invited to the kitchen where the table was spread lavishly, with nothing lacking, centered with the birthday cake with its 28 candles which Louie quenched with a little help from Junior. The luncheon was magnificently prepared and after that the cake was shared along with ice cream. Then our thanks to the hosts, a look at the Myers Shorthorns, a safe trip home and a perfect day was gone.

Next, the Summer and Fall shows began. Where we attended, the Lebanon District Gold Medal show was first, the State Fair last, and in between a dozen others. At each the (so-called) modern steer was there, as he has always been, to plague the eye of all who prefer to see cattle of the proper type and conformation. In the classes he was placed anywhere to suit the man officiating. First, last and in between, a good example of inconsistency that prevailed. At only one of these shows was the true beef animal recognized, and more power to his kind. In every County 4-H steer sale, which follow the shows,

the real beef calves sold from \$3.00 to \$5.00 per cwt. over this other thing, and in almost every instance graded above choice. 90% of the beef produced grading choice and better, comes directly or indirctly from purebred herds. As such, can we afford to produce the animal that cannot please the eye and will not yield this margin in the market? In National politics, Indiana is considered conservative, in the breeding of beef cattle we may be unique; even nuts. Winning in the show ring is one man's opinion and in many instances not as good as your own. Be not deceived, rather lose with the kind that pleases you and brings the best return, than win with the reverse. Here our efforts and interest are with the youth, they know good cattle and what they want. They are the future of our breed. They will continue to produce the type of beast that can be looked upon with pride, otherwise the game is over.

More than 90% of all beef consumed in the United States grades below choice. This fills the counters of the chain store and has always been there. However good the judgement of a housewife might be, she has no choice. This leaves less than 10% grading choice and better. By about the same ratio the beef that grades above choice comes directly or indirectly from cattle produced in the purebred herd. Where was this new idea born? Who accepted it? Who is attempting to execute it? Not those who produce this small percentage of real eatable beef and receive a share of their livelihood therefrom. The purebred breeder has always been classed as an artisan. Webster says, an artisan is, "One skilled in any art or trade." Skilled, "One having the knowledge and ability which comes from experience" Now, who's tellin' who. As breeders of registered Shorthorns, we will go along with Webster, continue in our handiwork and not be misled. Preserve and protect the tradition of our masters and we and good Shorthorns will prevail. John Burroughs said, "I had rather have the care of good cattle than keeper of the seal of our nation".

# Join Your Association

INDIANA LASSIE ORGANIZATION L. to R. — Mrs. Robert Bye, Union Mills, Secretary-Treasurer; Mrs. Mark Miller, Logansport, Vice President; Mrs. David Budd, Lebanon, President.

The Indiana Shorthorn Lassies held their annual Shorthorn Lassie Luncheon at the Cox Cafeteria on the Indiana State Fairgrounds following the Gold Medal Show on August 28, 1968. A welcome was given by Mrs. David Budd, President.

The 1968 Indiana Shorthorn Lassie Queen, Becky Miller, and the Lassie Princesses reported on the fairs that they had attended during the summer. Each Lassie Princess received a silver Lassie charm as a momento.

It was agreed that the State Fair Booth was an improvement over past years. Further improvements suggested included chairs for the booth and more pictures of Shorthorn winners and breeders.

The following slate of officers for 1968-69, presented by Mrs. John Humphreys, was accepted:

President Mrs. David Budd
Vice President Mrs. Mark Miller
Secretary-Treasurer Mrs. Robert Bye
Director 3 yrs. Mrs. Burke Allison
Director 2 yrs. Mrs. James McCorkle
Director 1 yr. Mrs. Ward Miller

Dir. 1 yr. Miss Lisa Buck (retiring queen)

Members appointed to the Finance Committee are:

Mrs. Carl Jordan, Co-Ch. Mrs. James Gunn Mrs. Eldon Wall Co-Ch. Mrs. Ellis Shafer Mrs. Maurice Leap Mrs. Jack DeBusk

The Shorthorn Lassie Queen Committee, under the chairmanship of the Vice President, consists of Miss Sue Roberson, Mrs. Carl Jordan, Mrs. James Gunn, and Miss Lisa Buck.

#### Lassie Membership Dues

Anyone interested in becoming a member of the Indiana Shorthorn Lassie Association can do so by sending their annual dues of \$3.00, which includes national dues, to Mrs. Robert Bye, Rt. 1, Union Mills, Indiana 46382 before Oct. 15, 1968.

#### LASSIE QUEEN NOMINATIONS

The 1969 Indiana Shorthorn Lassie Queen will be elected and crowned at the annual Indiana Shorthorn Association Banquet in January. Nominations for 1969 Indiana Shorthorn Lassie Queen candidates should be sent to Mrs. Mark Miller, Rt. 3, Logansport, Indiana 46947 before October 15, 1968. Please include a short resume

and a picture. Nominations may be made by the candidates themselves, by any member of the four Indiana Shorthorn Associations (Horned, Polled, Lassie, and Junior), or by the queen committee.

Irdiana Shorthorn Lassie Queen candidates must meet the following state and national requirements:

- 1. Age 16 to 22 years and single.
- 2. Must come from a Shorthorn family or must have shown Shorthorn cattle.
- 3. It must be clear to the candidate that she will be expected to give full cooperation in any public appearances that will be of value to the breed.
- 4. That she will attend the International in November and any other functions necessary.
- 5. She shall be a member of her state Shorthorn Lassies and the National Shorthorn Lassies. The state chapter she represents shall be affiliated with the National Shorthorn Lassies with the national membership dues paid for its members by the close of each national fiscal year—November 1.
- 6. Should a state chapter select a former Lassie Queen to reign in that state again, she will not be eligible to attend the International.
- 7. Any girl accepting the responsibility of Shorthorn Lassie Queen will show only Polled or Horned Shorthorns or Crossbreds (Polled or Horned Sire) during her reign as Lassie Queen.

We hope to have several candidates since the Indiana Shorthrrn Lassie Princesses assist the Lassie Queen in promoting the breed by attending county fairs and Gold Medal shows throughout the state.

Mrs. Robert Bye, Secretary

#### INTERNATIONAL LIVE STOCK EXPOSITION

The 69th International Live Stock Exposition will be held in the International Amphitheatre and adjacent Chicago Stock Yards November 29 to December 7.

The exposition is the country's largest showing of purebred beef and dairy cattle, horses, sheep, and swine. It is the climax event of the year's circuit of fairs and stock shows.

Changes in rules and regulations to be in effect at this year's exposition are annunced by the show management following a recent meeting here of the exposition's Board of Directors in the Saddle and Sirloin Club.

#### Tighten Age Rule

Steers entered in the open and junior steer classes, as well as in the quality beef contest. w'll be mouthed by a committee of veterinarians to check ages of all entries; and any steer that is found on mouthing to require a change of two classes from that in which it is entered will be eliminated from the show.

On the recommendation of the show's Quality Beef Contest committee, the minimum weights for all live steers entered in the carcass show will be raised 50 pounds in each class this year, with a minimum weight of 850 pounds on senior calves, 975 pounds on summer yearlings, and 1075 pounds of junior yearlings.

#### Junior Show Changes

Age limits for 4-H and FFA exhibitors are to be lowered in the exposition's Junior Livestock Feeding Contest. Heretofore open to youths between 12 and 20 years old on January 1 the year of the show, competition will now be limited to owners who are between 11 and 18 years old as of January 1, 1968; and participation of 4-H and FFA exhibitors in the International open steer show will be limited to the champion and reserve champion winners only of the Junior Show.

Dr. Robert Totusek, of the Oklahoma State University, Stillwater, will judge all steer classes at this year's International. Shorthorn Breeding Classes will be shown Tuesday December 3rd., 1968. Judge, John Shuman, Byers, Colorado, Gerald Clodfeiter, Greencastle, Indiana will judge Polled Shorthorns.

# **HANSON**

Winning Get of Sire by KEYNOTE'S CUPBEARER

Shown above is the Junior Get of Sire winning the coveted K.C. trophy at the 1967 International Livestock Show in Chicago. Further proof that Cupbearer is among America's Leading sires.

# KEYNOTE'S CUPBEARER ASSISTED BY PRINCIPAL LANDLORD

Our herd of more than 100 head of choicely bred females provides a good selection at all times for sale at private treaty. We were well pleased with our placings at the season's shows.

CONNERSVILLE, INDIANA 47331

At the Southeast edge of town

Tel.: AC 317, 825-9204

John Blume, Esq. Marellbar Farms Libertyville, Ill., U.S.A.

Dear Johnny,

Yours of the 29th March to hand this morning. We had a great spell of weather in March, the best I have ever known, and practically all the oats sown with the exception of the turnip ground which is now about all ploughed and ready to sow if the weather takes up. We had not a shower the whole of March month up to the 29th when it blew a hurricane and we have had a very cold showery spell since, but it is like showering into better weather today although cold and no growth. We are like having an early spring, winter keep is finished and although there is very little for the cattle to eat, I have everything at grass but still housing the calves at night.

I think I have a good bunch of calves this year, the best by the white bull and Braemar. If the weather would only take up we would get a bit of growth and have everything turned outside.

Like you it has been an expensive job feeding cattle this winter but I have made a lot of sales and have little left on hand, with the exception of a few strong bulls that I was keeping in the hope of selling to the Russians, but now with this trouble in Berlin I don't know what the position is going to be and if they are going to be in the market. They promised to be here in March to see cattle but I have heard nothing of them since I saw them at Perth.

I am glad the bull is going on all right and that you are satisfied with him. It is disappointing that your two heifers have not settled to the bull, but I am having the same experience with a bunch of heifers inoculated at the same time. Several breeders I have spoken to have had similar experiences with vaccinated heifers,

which when they got to the grass settled up right away, and on making enquiries from the cattlemen on Saturday they were telling me that a number of heifers that were giving us trouble are now passing over the three weeks. I am hoping that they are clearing up and now settling to the bull.

You tell me good herd bulls are scarce with you but I don't think they will be much scarcer than they are with us, and for the meantime I consider I am fortunate in having a few bulls which I think are breeding. I am enclosing you a rough snap of Braemar that Rankin took about a month ago. I think you will consider him a goodish bull. For some unknown reason you would think from the photograph he had spots on his nose, but whether it was dirt or feed on his nose at the time he was photographed I don't know, as he has a perfect nose.

Marion sailed on the 1st of the month for a six months holiday in South Africa. Jessie and her Husband sail this week for Southern Rhodesia. He has been posted to an aerodrome at Bulawayo, for three years, and Irene and her family are in Glasgow, so I am at home, on my own.

I intend selling Cults Farm this summer for possession in November and hope to sell up to about 100 attested cattle at Perth in October, so with what heifers I have sold privately I will require any surplus heifers I have to make up the numbers for this sale, otherwise I would have been very pleased to have fitted in with your suggestion.

Yours Sincerely, Albert Jas. Marshall

# INDIANA SHORTHORN BREEDERS'

# SHOW and SALE

Show 9:00 a.m.

Sale 12:30 p.m.

SATURDAY, NOVEMBER 9, 1968

4-H FAIRGROUNDS, GREENFIELD, INDIANA

20 miles East of Indianapolis on U.S. 40

#### **60 HEAD SELLING**

12 Bulls - 38 Females - 10 Club Calves

The production of purebred cattle is a challenge. Proper selling may be as great a challenge. Many times consignment sales have been looked upon with skepticism. A few years back, the State Association pledged themselves to hold an Annual Sale of quality, useful cattle, that should remove any doubt in the minds of the new owners. To the management, prices received from our past sales have seemed very conservative. However, since that time, through the selling of almost 500 head, one, and only one, complaint has arisen. After a few weeks, a nice letter informed us, the bull was working. A closed incident and an enviable record.

Be With Us Sale Day And Buy With Confidence

#### INDIANA SHORTHORN ASSOCIATION

Clyde G. Harlow, Secretary, Tipton, Indiana

#### GENERAL INFORMATION

LOCATION — Sale will be held at the 4-H Fairgrounds, Northeast corner of Greenfield, Indiana.

TIME — A show of the sale cattle will be at 9:00 a. m. The sale will start 12:30 p.m.

GUARANTEE — The guarantee recognized by the A. S. A. will cover the cattle selling.

TERMS — Terms of the sale are cash, unless other arrangements have been made with the consignor from whom you purchase and the sale manager is notified. All cattle become the responsibility of the purchaser as soon as bid off. Statements from the auction block take precedence over material printed in the catalog.

LIABILITY — Each transaction in this sale will constitute a contract between the seller and buyer of each lot. The auctioneers, ringmen, or sale manager have been employed by the consignors for a specific task not connected with the handling of the cattle or condition of the premises and will therefore accept no liability, legal or otherwise, for the buying contract or for any accident. Neither can the sellers accept any liability for any injuries that might occur.

REGISTRY CERTIFICATES — A Certificate of Registry will be furnished with each registered lot and will be transferred to the buyer without cost to him. Application for Registry will be furnished, properly signed, with each calf sold beside its dam, and for each unborn calf sold in dam.

FOOTNOTES — Footnotes appearing in this catalog were furnished by the consignors, and were written from information by them.

HEALTH — A Health Certificate, approved by the State Veterinarian will be furnished with each lot sold.

AUCTIONEERS - Don Smock, Whiteland, Indiana. Jim Humphries, Wolcott.

 ${\tt RINGMEN-Gene\ McDonald},$  The Shorthorn World, Aurora, Illinois; Ken Torr, The Prairie Farmer.

HEADQUARTERS — The Howard Hughes Motor Lodge is designated as Sale Headquarters. Arrangements have been made with the management to accommodate as many of our guests as possible. The location is on the North Side of U. S. 40, approximately at the West edge of town. On arrival, we suggest you call here and inquire. If filled they will assist as best they can. You may make reservation direct or we will be glad to help. Address Howard Hughes Motor Lodge, Greenfield, Indiana.

MAIL BIDS OR TELEPHONE — Such may be placed in the hands of the Auctioneer, any of the above Fieldmen or the Sale Manager.

LUNCH — Will be available on grounds, sale day.

SALE COMMITTEE — The Board of Directors with Clyde Harlow, Secretary, Tipton, Indiana, 46072. Tel. Kempton, 947-2275.

#### RECOMMENDED GUARANTEE

(1) TERMS: The terms of the sale are cash unless other arrangements are made un advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction.

(2) LIABILITY: Although every possible precaution will be exercised to protect the safety and comfort of guests of the show and sale, neither this Association, nor its representatives, nor the auctioneers or clerks, can assume any liability for accidents.

(3) A - Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B - All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of the date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C - With the exception of heiters sold under 14 months of age, all females are

guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date

of sale, shall be premptly reported to the seller.

D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial of a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price without interest to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E - All animals catalogued have been tested for T. B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by a Bangs Vaccination Certificate. Announcements will be made covering animals

not clear from vaccination.

F - Certificates of Registry and Transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred anmals showing names and record numbers of sire and dam, as well as service date.

G - Shipment will be made as soon as released, but at the purchaser's risk of loss

or injury after animal is bid off.

H — All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

(4) SHIPPING ARRANGEMENTS: It is the obligation of the consignors and this association to see that all cattle are properly loaded on cars or trucks as directed by the buyers for shipment. Cattle will be at buyer's risk as soon as bid off but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT

TRANSFER INFORMATION WITH THE SALES CLERK.

**CROCUS BESSIE 8TH.** She is the spring yearling from the show herd. She stood 3rd in a big, strong class at the Indiana State Fair. Of all our good heifers in former State Sales, this one must rank at the top, certainly from a brood cow standpoint. Her mother produced the 4th place junior heifer calf at the 1966 International and is now nursing a fine heifer calf or this heifer would be put back in the herd.

# HYBRIDS FOR PROFIT

413—EARLY MEDIUM MATURITY — A new rugged 3-way with high yield, small hard cob and loose shucks. Superior in narrow rows and shellability.

A410—MEDIUM EARLY MATURITY — Driest hybrid in No. Central Ind. trials and 7 bushels above average in yield in 4 years. On Purdue recommended list.

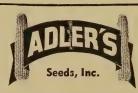

T3X—MEDIUM EARLY MATURITY — A profit proven single cross with high yield, stiff stalk, disease resistance and well adapted to narrow row high population planting.

#### ELECTRO-GROOM A farm Necessity

The value of a heavy duty Electric Cleaner on the farm is well established. Originally for fitting beef cattle for the show ring, it has now found its place in doing hundreds of farm chores.

Superb in cleaning bins, drills, planters, dust accumulations etc.

#### They ARE Built To Take It

None are sturdier than the original Electro-Groom twin motors and an overall guarantee for a full year.

Now comes the new Electro-Groom Circuiteer. Not a vacuum but a Blower - Dryer - Fluffer. Easy to handle, weighs 20 pounds and can be shipped by mail.

Order Yours today

This machine has met ready approval. Easier to care for on the show circuit. Equipped with two hose lengths, choice of temperatures, may be carried or hung conveniently.

HERE IS A BULL LITH A LOT OF CHARACTER

AND A VERY DESTRABLE PEDIGREE

There's a big difference in the palatability of sorghum-sudangrass

hybrids ... and no one knows this better or expresses a more definite choice than cattle.

Given a choice, cattle quickly reveal their preference for Pioneer brand 985 Sorghum-Sudangrass. This has been proven time and again in on-the-farm comparison tests. Try this experiment for yourself. Strip test 985 along side the best competitive sorghum-sudangrass hybrids. Then keep an eye on how quickly your cattle find the dark green-leafed stand of 985. It won't take long ... and when they find it, that's where they'll feed!

985 Sorghum-Sundangrass has many uses:

- \* Pasture \* Greenchop \* Hay
- \* Standing Hay (fall and winter) \* Cover Crop

See or call your local Pioneer salesman for complete information on 985 Sorghum-Sudangrass hybrid. He will appreciate the opportunity to service your requirements.
